WIGINGTON RUMLEY, LLP

The lawyers at Wigington Rumley, LLP are passionate about protecting the victims of negligence, defective products and commercial greed. They are dedicated to helping people receive the justice and financial security they deserve, and they're proud of their role in preventing future wrongful acts.

LIFE, LIBERTY AND HAPPINESS The right to life, liberty and happiness is an American principle that Wigington Rumley takes seriously. The firm takes on the world's most powerful corporations and consistently obtains justice and compensation for its clients. Since its inception in 2002, Wigington

Rumley has amassed a track record of significant verdicts and massive settlements and has garnered national media attention. For instance, the firm obtained a \$225 million verdict against Ford Motor Company, which was reported as the largest actual damage verdict in a wrongful death case ever obtained against Ford. The firm has been featured on *60 Minutes*, in *The New York Times*, *Los Angeles Times*, *USA Today*, *Dallas Morning News*, *Houston Chronicle*, *The National Law Journal*, *Lawyer's Weekly U.S.A.* and various other media outlets throughout the country. It has also been listed in *TEXAS MONTHLY*.
